

## **14 x 20 Litho (Print) Template**

**Final Trim Size: 14 x 20**

*Outside Yellow Edge (11 x 17)*

**Bleed Size: 14 1/4 x 20 1/4**

*Outside Red Edge (14.25 x 20.25)*

**Pink area**

**Bleed:** 1/8 inch extra space on each side of the document that will be trimmed off, allowing an image to bleed off the page.

**Yellow area**

**Margin:** The area of the page that is common to not contain copy or image unless there is bleed. Any copy or image that should not bleed by design should not extend to this area. If you litho is to have a white margin, this area must remain clear of image.

**White area**

**Live area:** The area of the page that is guaranteed not to be trimmed off. All copy and images important to your document should fall within this area. If you are creating the standard comic book, this area is a 1/4 white margin

**Trim Marks:** The lines that indicate the trim (or fold) of a document.
